

Solo, Duet, Ensemble Guidelines and Fees

- ❖ Dancers must turn in the Reservation Form to reserve a choreographer.
- ❖ Once your choreographer is assigned, you will work with that choreographer to choose music and book private lessons. Your choreographer will book all lessons through the LSJ office.
- ❖ In case of a need to cancel privates, please make sure to contact your choreographer in advance. If no advanced notice is given for cancellation of a scheduled private, the dancer/parent will still be responsible for the cost of the private lesson.
- ❖ Choreography and lessons may begin after choreography fee has been paid.

LSJ Team Dancers:

- ❖ Remember there are additional contest fees to compete a solo, duet or ensemble at contest.
- ❖ Costumes can be purchased through our studio costume books, or you may use your own seamstress. Please have costume approved by your choreographer.
- ❖ All LSJ dancers must be in 2 or more team dances in order to be considered to compete a solo, duet, or ensemble.

Choreography Fees:

Fee includes: 2 hours of time

- This 2 hours could include music selection, dancer evaluation, music editing, and some time to learn the choreography. The dancer will usually not learn an entire routine in 2 hours. After the initial 2 hours you will be charged based on the private lesson fees.
